

Spherical plain bearing

SI...E(S),SI...ES 2RS-SI45ES

model : SI45ES

Size mm :

|                    |           |
|--------------------|-----------|
| d :                | 45        |
| d3 6H :            | M42 × 3.0 |
| B :                | 32        |
| C1 :               | 27        |
| L3 min :           | 65        |
| W :                | 60        |
| d2 :               | 102       |
| h1 :               | 145       |
| L4 :               | 196       |
| L5 :               | 20        |
| d4 :               | 58        |
| d5 :               | 70        |
| dK :               | 60        |
| $\alpha \approx$ : | 7         |

Load KN :

|             |     |
|-------------|-----|
| Dynamic C : | 127 |
| Quiet C0 :  | 240 |
| Weight kg : | 2.5 |
